Session Topics

- Polymers in combinatorial chemistry
- Polymeric reagents and catalysts
- Polymers for separation science
- Polymers in nanotechnology
- Polymers in biotechnology
- Poster contributions are welcome

The aim of the conference is to promote discussion between organic chemists who use polymers and polymer chemists who use organic chemistry.

Book of Abstracts

A book of abstracts for presentations and posters will be distributed at the workshop. If you plan to submit a presentation, please prepare a one to two page abstract and return it to Lesia Robertson, Division of Polymer Chemistry, Inc., Virginia Tech, 410 Davidson Hall, MC 0279, Blacksburg, VA 24061, Phone: 540-231-3052, Fax: 540-231-2588, E-mail: lesiar@vt.edu by April 15, 2002.

Registration and Accommodations

The conference will be held at the University of California, San Diego (UCSD). Nestled along the Pacific coastline on 1,200 acres of coastal woodland, UCSD is a powerful magnet for those seeking a fresh, next-generation approach to education and research. For additional university information and directions, please see the UCSD web site at <http://www.hds.ucsd.edu>. (The conference is not sponsored by the University of California, San Diego). Lodging accommodations are being made available in on-campus apartments July 14-18, 2002 (5 nights).

Registration fees listed on the *Registration and Lodging Form* include the cost for attending POC 2002, lodging (if you intend to stay on-campus) and all meals during the workshop. If you are a member of the Polymer Division or International Union of Pure and Applied Chemistry, you may register using the member registration fees listed. Confirmation of membership will be required. All other participants must register as a non-member.

Deadlines and Late fees: Written cancellation or registration after April 15, 2002, will cost an additional \$125.00.

To register: send the completed *Registration and Lodging Form* with remittance to Lesia Robertson, Division of Polymer Chemistry, Inc., Virginia Tech, 410 Davidson Hall, MC 0279, Blacksburg, VA 24061, Phone: 540-231-3052, Fax: 540-231-2588, E-mail: lesiar@vt.edu.
